THE STORY OF THE NUTCRACKER

THE PARTY SCENE

It is Christmas Eve at the Stahlbaum house -- A large and grand house with the most beautiful tree imaginable. The Stahlbaums are hosting their annual Christmas party, welcoming the arrival of their family and friends. The children, Clara and Fritz, are dancing and playing as they welcome their friends. The party grows festive with music and dance as Uncle Drosselmeyer arrives. He is a skilled clock and toy maker and always full of surprises. Drosselmeyer draws everyone's attention as he presents life-size dolls. They are the delight of the party, each taking a turn to dance.

The children begin to open gifts when Drosselmeyer presents Clara a beautiful Nutcracker that becomes the hit of the party. Fritz becomes jealous and, having a bit more spunk than a boy should have, grabs the nutcracker from Clara and promptly breaks it. Clara is heartbroken, looking on as Drosselmeyer quickly repairs the Nutcracker with a handkerchief he magically draws from the air. As the evening grows late, the guests depart and the Stahlbaum family retires for the evening. Clara, worried about her beloved Nutcracker, sneaks back to the tree to check on him, falling asleep with him in her arms.

THE BATTLE SCENE

As the clock strikes midnight, strange things begin to happen. Clara's dream shows the beautiful Christmas tree grow high above her as the toys around the tree come to life. The room fills with an army of mice, led by the fierce Rat King. The Nutcracker leads his army of toy soldiers into battle with the mice. The Rat King corners the Nutcracker and battles him one-on-one. The Nutcracker seems to be no match for the Rat King.

The Nutcracker and his army can go on no longer and are captured by the mice and their King. Clara makes a final daring charge throwing her slipper at the Rat King, hitting him square on the head. The Rat King drops to the floor and the mice run away, carrying off their leader's lifeless body.

THE LAND OF SNOW

Clara's dream continues as she is carried into the Land of Snow, an enchanted forest wonderland where they are welcomed by dancing snowflakes.

THE LAND OF SWEETS

Clara is whisked into the Land of Sweets where she is greeted by the Sugar Plum Fairy. She honors Clara with a celebration of dances and the Sugar Plum Fairy and the Cavalier dance a beautiful Pas De Deux.

THE DREAM ENDS

Clara awakens from her dream and finds herself with her beloved Nutcracker.
